Students can register themselves for College Bus facility which caters to every nook and corner of the city

5. In Campus Secure Hostel

You are provided with a variety of choices when choosing your hostel room, from a fully furnished and air conditioned room to an economic room, so leave your worries behind and make St. Mary's your second home

6. Green Campus away from Pollution

St. Mary's was established in the year 1996 (visit our Group Website: www.stmarysgroup.com) and we have always believed education should be carried out in a distraction and pollution free campus hence, all of our campus' all over India including this Patancheru Campus is amongst ample green surrounding & is pollution free to help nurture our students holistically.

St. Mary's Visual Arts and Design Degree College offers programs in the domain of Animation, Gaming, Fashion, Visual Effects, and Event Planning meant to ignite the inbuilt spirit of the students. The college is spread in a 8.5 acres Campus at Patancheru. Synchronously, we are also taking care of the complete technical amenities. Every parameter is of the latest Brand and sufficed within this college premise in a systematic order. Students from this domain have an ardent tendency towards handling these instruments time and again; therefore, we are liberal towards the access of infrastructure by our beloved students.

Our industry-seasoned faculty guide students beyond the limitations of the syllabus, helping them soar as high as their dreams can be, besides grooming them towards a healthy sense of work-life-balance and career alongside their technical knowledge. This happens through many a customized Assignments, Seminars, Workshops, Sports and Cultural activities that act as the right vent for individuals and teams alike to help them understand their strengths and weaknesses.

In the end, we want to create Trendsetters with the help of Quality Education which should imbibe within itself the roots of respecting individual opinions. This should happen on a positive note because then only we will mould the change-makers.
